

DENTURE OPTIONS

Patient _____ Date _____

*UA and LA are abbreviations of the terms **Upper Arch** and **Lower Arch** respectively

SURGERY: Includes tooth removal and smoothing bone during a single visit.

UA LA 3 - 4 teeth	\$1,000
UA LA 5 - 7 teeth	\$1,500
UA LA 8 or more teeth	\$1,900

SEDATION: Helps make surgery much easier for you. Many of our patients choose sedation for extractions.

IV Sedation	\$700
General Sedation at Eagle Rock Surgical Center (<i>price can vary at Eagle Rock's discretion</i>)	\$1,860

SECTION TOTAL _____

DENTURES: Removable prosthetics come in several levels to provide exactly what you would like done.

Level 1 Economy

Includes economy teeth with choice of shade/color, flat gingival architecture (gums), and 1 adjustment visit. These are usually considered trial or temporary dentures and will likely need a denture hard reline after healing from extractions to fit well.

UA | LA \$1,025

Level 2 Basic

Includes premium teeth (last longer, look more natural) with choice of shade, natural gingival architecture (gums), 2 soft tissue liners and up to 2 adjustment visits as needed in first 6 months. You may need a denture hard reline after healing from extractions to fit well.

UA | LA \$1,700

Level 3 Custom

Includes trial/economy denture during healing, and then (6 months later) a fully custom built/fit/designed premium denture for a natural looking smile - choice of shade, 2 soft tissue liners, and any adjustments needed for 6 months.

UA | LA \$2,500

 **Denture Hard Reline:** Add material to existing denture base to create a better fit and stability.

UA | LA \$438

 **Soft Tissue Conditioning Liner:** Add soft liner for comfort for sore spots or healing tissue.

UA | LA \$232

 **Denture Adjustment:** Adjustment to existing denture for single sore spots or clasp adjustments.

UA | LA \$117

SECTION TOTAL _____

Implants: Stabilize dentures, allow 3-4 times better function, and prevent the need for denture adhesives.

Level 1 Mini Implants

Miniature Implant placement and attachment. Miniature implants do not have the same long-term expectation as full-size implants, but serve as a great alternative lower cost option. **Mini-implants do not come with any warranty or guarantee after the bone has successfully healed to the implant.** Replacement mini-implants are \$500 each.

UA | LA \$4,000/per arch

Level 2 Full-Size Implants

Full-size implants come with a **5 year warranty** against fracture after the bone has healed. For the upper, full-size implants allow for the removal of the palate (roof of mouth) section of the denture.

2 Full Size Implants \$4,990
